

Full Job Description

Mercy Health Clinic is searching for a Family Nurse Practitioner/Physician Assistant with experience in a medical office/clinic environment to work in collaboration with a dedicated team of professionals and provide a good quality of care to patients. We would prefer someone to work_ Mondays from 8:30 a.m. to 5:00 p.m., Tuesdays and Thursdays from 1:00 p.m. to 8:00 p.m., but we can be flexible.

SUPERVISOR: Reporting to Medical Director

STATUS: hourly, non-Exempt

EDUCATION: Current Nurse Practitioner or Physician Assistant certification

SALARY: \$40--\$47 hourly based on experience

POSITION SUMMARY: The nurse practitioner / physician assistant is a licensed independent medical provider who is responsible for managing health problems and coordinating the medical care of patients in accordance with state and federal rules, regulations and standards of care (health status assessment, diagnosis, development of a care and treatment plan, implementation of a treatment plan and assessment of the patient's condition). The clinical management of patients is conducted in collaboration with other members of the healthcare team.

DUTIES:

Functions independently to perform evaluations of medical history and physical examinations for complex acute, critical, and chronically ill patients.

- Orders and interprets diagnostic and therapeutic tests
- Prescribes appropriate pharmacologic and non-pharmacologic treatment modalities.
- Implements and follows through on changes in patients' plan of care as needed.
- Monitors the effectiveness of interventions and adjusts the plan of care accordingly.
- Collaborates with internal and external multidisciplinary team members by making appropriate referrals.
- Facilitates staff, patient, and family decision-making by providing educational tools.
- May be asked to support other providers in related activities, including lab reviews.

QUALIFICATIONS:

- Graduate of an accredited school of nursing or other relevant training
- Graduate of an accredited Nurse Practitioner program or Physician Assistant program
- Current provider card in Basic Life Support (BLS) PALS provider card as required by department and facility
- Strong computer skills, including Word, Excel, and PowerPoint

SKILLS: Minimum of 2 years of experience seeing patients in a clinical setting preferred.
